

WELCOME TO THE CRAFT BEER CAPITAL YOUR OFFICIAL GUIDE

Wellington is New Zealand's Craft Beer Capital. Nowhere else in the southern hemisphere will you find so many brew pubs and beer bars compressed into a city of such modest size. Our city may be small but we're not the least bit modest about our beer. It's award-winning and we love it.

Craft Beer Capital brings together all of the finest craft beers our city has to offer. We're offering you some nice rewards for your experience too - collect eight stamps from any brew pub or beer bar and win yourself a free tee shirt or bottle opener (some shipping costs will apply). If two of your stamps are from suburban venues, you can add on a Craft Beer Capital beer glass or iron-on patch. Have fun and stay safe!
